A note from the President

“Petersham Horticultural Society was founded 115 years ago. It is a not-for-profit organisation which aims to encourage and enthuse the families living in Petersham to enjoy their gardens. The Annual Flower Show is always held (regardless of the weather) on a Saturday in early July. There are entry classes for plants, flowers and vegetables also classes for cookery and arts and crafts. The focus inside the hall may be on rosettes and cups but outside side stalls, tea, cake, Punch and Judy and a bouncy castle complete this very traditional family fun filled day.

A thought on entries... a nearly perfect flower, five non-identical beans, a not as you hoped cake, a very small bunch of garden flowers can't win a prize at home... no planning needed you can bring it on the day and you never know... Children are welcome to enter the adult classes... when my son was four he had the second-best broad beans in show (started in a jar at nursery!). Even if you don't live in Petersham you are welcome to enter.”

I do hope to meet you soon

Emily Powell-Blyth

THE BANKSIAN MEDAL

There is great competition within our Society for the award of this prestigious medal. It is presented each year to the exhibitor who wins the largest total amount of money in prizes in the whole of the horticultural classes at the Show, or who has the highest number of place points within the vegetable, fruit, flower and plant sections. Prizes awarded in Sections 5 to 9 and any other special prizes listed shall not count towards its award. This medal cannot be won by the same competitor more than once in any three-year period. This helps to give different people an opportunity of winning. The medal is granted by the Royal Horticultural Society to affiliated societies.

Sir Joseph Banks was born in 1743 and died a baronet and President of the Royal Society in 1820. He was a very wealthy man and in 1768 he financed and joined Captain Cook's expedition in the *Endeavour*. This voyage around the world took him three years. When he reached Australia, Banks and his companions named the coastline where they landed *Botany Bay* because of the abundance of unknown plants. He returned home laden with dried plants, seeds, roots, illustrations, and records of an astonishing variety of new discoveries.

The Banksian Medal was first issued in 1922 in commemoration of Sir Joseph and "to encourage exhibitions of various garden productions of excellence, merit or novelty". This tradition has been carried on by the Royal Horticultural Society ever since.

HINTS TO EXHIBITORS

These hints are offered particularly to encourage new exhibitors. Don't say, "I've nothing to show". Have a look around your garden & start with the Novice class ...the best of luck!

FLOWERS: Cut in the evening before the Show or in the early morning. Remove damaged flowers, discoloured or broken leaves. Roses should, if possible, be buds just beginning to open, not fully open flowers. Check that the container is well filled with water to prevent wilting during the Show.

VEGETABLES: Select even-sized, unblemished specimens. Roots should be carefully washed but do not brush as this may damage the skins. Beet, carrots, parsnips, turnips and rhubarb should have the leaves or tops removed leaving not more than 3 inches attached. Rhubarb and tomatoes are classified as vegetables.

FRUIT: Should be fresh, uniform, free of blemish; preserve the natural bloom; keep the stalks intact. A **Strig** indicates a bunch or, in botanical terms, a complete raceme or panicle of berries. It is best detached from the plant with scissors and should not include any of the woody section at the base

DEFINITIONS: A vase has a greater height than the width of its mouth. A bowl has a mouth width measurement equal to or greater than its height. A dish is a specified number or quantity of a fruit or vegetable constituting one item which may be displayed on a table or on a stand or on a receptacle of any material and of any shape. Unless specially permitted by the schedule, a dish must consist of one cultivar (variety) only

GENERAL: Please do read the Schedule carefully; make sure that you adhere to the dates and times for receipt of entries, closure for judging, removal of exhibits, etc. Allow plenty of time to stage exhibits without undue haste; the last-minute rush can often result in some easily avoidable mistakes such as putting in more or fewer specimens than the number scheduled, which results in disqualification and disappointment. **Do not confuse a vase and a bowl** (see above definitions). And finally, a reminder not to use expensive containers as the Society cannot take responsibility for loss or damage.

GENERAL COOKERY: Please remember to put the date made on any preserves or drinks submitted for those classes. Ensure that you include any ingredients, flavourings or decoration explicitly specified in the class description. Also take note of the description of the class, which will specify what is being judged (e.g. decoration, type of cake) So, for example, make sure you submit a *round* of shortbread, not shortbread fingers, if that's what the class specifies.

PHS TOP VASE CLASS (Class 23):

Rules and Regulations:

1. The Top Vase class is for a vase of mixed flowering stems containing a total of between 5 and 10 points, taken from a minimum of two different kinds of plants. Please note that it is two different **KINDS** of plants, two varieties of the same plant are **NOT** two kinds (e.g. pinks and Sweet Williams are both dianthus, so would not be classed as different kinds).
2. The display is judged out of a total of 35 points, split into 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 points for the overall presentation and effect of the flowers in the vase. The vase will be viewed from all directions. Judging of flowers should be to the normal rules used for other classes.
3. Stems used in the display must be showing flowers only; no seed heads or berries will be allowed.
4. The vase can be any shape and size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.
5. No accessories such as bows and additional foliage will be allowed. Foliage which is growing naturally from the flowering stem, and still attached to that stem, is allowed. No dried or silk flowers allowed. Packing material - including florists' foam - to keep the stems in place is allowed.
6. **PRIZES** All winners will receive a PHS Top Vase certificate plus prizes provided by Petersham Nursery. They will also win rosettes and specified prize money.

PHS TOP TRAY CLASS (Class 53).

Rules and Regulations:

1. The PHS Top Tray class is for a collection of three types of vegetables taken from the following list of fifteen. The quantity of each vegetable required for the collection is given in brackets: carrots (3), cauliflowers (2), onions (3), parsnips (3), peas (6 pods), potatoes (3), runner beans (6 pods), tomatoes (6), French Beans (6 pods), sweetcorn (2), pepper (3), cucumber (2), courgettes (3), red beet (3), aubergines (2). Each type of vegetable will be judged out of a total of 20 points. This is split into three sections as follows: 7 points for size, shape and colour; 7 points for condition; 6 points for uniformity. The overall mark will be out of a total of 60.
2. All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 45 cm by 60 cm (18 x 24 in), without bending any part of them. No part of any exhibit may exceed the size of the tray. A tray or board measuring 45cm by 60cm (18 x 24 in) can be used to display the vegetables, or the area can simply be marked on the staging. Where a tray has a lip or edge, it is the internal measurements that must not exceed 45cm by 60 cm (18 x 24 in).
3. A black cloth is permitted, and the tray may be painted but not be cut in any way at all. Parsley is allowed for garnishing, but no other foliage or accessories, such as plates, sand, rings and so on, will be allowed. Onion tops may be tied or whipped using raffia or string.
4. **PRIZES** The winner of the PHS Top Tray class will receive a PHS Top Tray certificate plus a prize provided by Petersham Nursery. They will also win rosettes and specified prize money.

REGULATIONS

1. Judging will be done under the R.H.S. code of rules.
2. All exhibits in Sections 1 to 4 must have been under the management or ownership of the exhibitor on his/her premises at least two months previous to the day of the Show and any exhibitor may be required to sign a declaration to that effect. In all other sections, exhibits must be the *bona-fide* work of the exhibitor and must not have been previously shown. Any prize fraudulently obtained shall be forfeited. In the case of a professional gardener entering produce from a garden where he/she is employed the exhibits must be entered in the name of the employer.
3. Adult entry fee is 50p per entry except where otherwise stated.
4. All competitors for prizes must submit an entry form (online or paper form). Late entry forms may be accepted only at the discretion of the Show Secretary.
5. No exhibitor shall be allowed to make more than one entry in any one class, except classes 81-83.
6. Two or more persons may not exhibit for prizes separately from the same garden, allotment or plant house except that this regulation shall not apply to Section 5 or the Junior classes. Joint entries are permitted.
7. For Section 5, and junior floral categories, commercially-sourced flowers and/or foliage are acceptable
8. Trade entries are not permitted in any competitive class.
9. The hall shall be open for staging from 8.00 am. Staging must be completed by 10.00 am and all exhibitors must then leave the hall. Exhibits must remain staged until 4.45 pm. Exhibits not removed on the day of the Show will be disposed of.
10. The staging committee will direct the placing of all exhibits and all exhibitors must strictly obey their orders.
11. Exhibits need not to be arranged at the Show, except where specified.
12. The committee reserves to themselves the power, on the recommendation of the judges, to withhold any prize if the exhibits are considered unworthy, and, on the other hand, to give extra awards and prizes. The judge's decision is in all cases final.
13. The special prizes are listed in this schedule. Points (where applicable) are reckoned as 4 for the 1st prize, 3 for the 2nd, 2 for the 3rd and 1 for a commendation. Challenge cups, with the winner's names engraved on them, remain the property of the Society but are held by the winners from the time they are presented until the following year.

Prize money will be paid during the afternoon of the Show. Challenge cups and special prizes will be presented at the end of the Show.

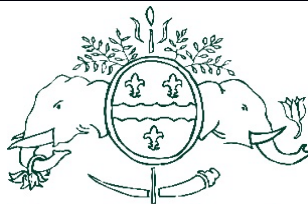

14. All exhibits, personal property, etc. shall be at the risk of the exhibitors and the Society shall not be liable for compensation for loss or damage from any cause whatsoever.
15. Should a show or class not be held, no exhibitor shall have any claim on the Society.
16. If for any reason a Judge is unable to fulfil his/her engagement, the Society reserves the right to appoint another Judge to fulfil his/her duties.
17. Any protest must be made in writing and delivered to the Treasurer or President by the end of the Show.
18. If an exhibit is not according to the schedule it will be disqualified: see 'Hints to Exhibitors' and individual class details to avoid disappointment.
19. Full details of the PHS Constitution are at www.petershamhorticulturalsociety.org.uk
20. Due to the timing of the publication of this schedule the Committee may find that there are minor modifications to Exhibitors' rules for the PHS Top Tray and Top Vase Classes. Any amendment shall be placed on the website no later than three weeks before the date of the Summer Show.

GDPR

We would like your permission to retain your personal data within our data entry system for a period of 3 years after your last entry to the show. This includes your name, telephone number, email address, and age (children only).

1. The reason to retain this is for the purposes of:
 - a. Making it faster for you to enter next year, as you would not need to provide your data again (unless it changed)
 - b. Sending you reminders a few times per year to remind you about the show, and invite you to our events
2. We will NOT allow third parties access to this data
3. You can opt out of this at any time by emailing enquiries@petershamhorticulturalsociety.org.uk
4. When entering on behalf of family members, you agree that you have responsibly checked you have their permission to record their responses on their behalf
5. We will not 'spam' you with hundreds of messages every year, only sparingly and where necessary and to inform you of the society's upcoming events
